

# LED BAR Light

## LED BAR102 LED BAR103

Aluminum PCB board with standard 10 leds per unit, easier for installation, it requires 6~15cm depth for interior light box and signage lighting solution.

LED BAR102

LED BAR103

### Large angle

170 ° wide-angle lens.

### Aluminum PCB

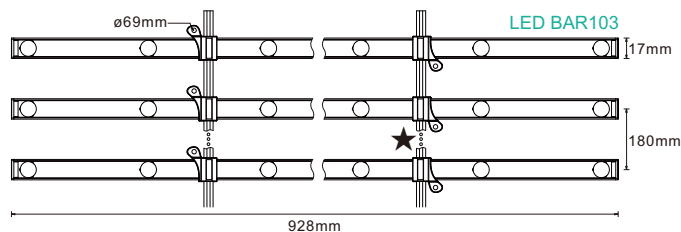

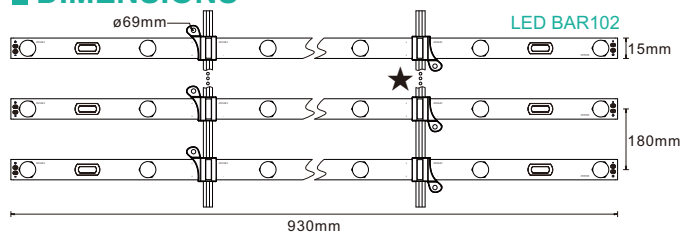

For direct and quick heat dissipation.

### Curtain style

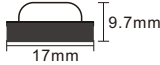

Exclusive mounting clips, Multiple spec options, can be customized upon requirements.

## DIMENSIONS

★: Standard run 10pcs, max run 13pcs.

## PRODUCT PARAMETERS

Model	LED BAR102	LED BAR103
		
Input	DC24V	
LED/Pcs	10pcs	
M/Pc	930mm	928mm
LED type	SMD	
CRI	>90	
IP rating	IP20	IP67
Power	9.6W/M	8.4W/M
Lumen/M	864 lm/M@3000K	756 lm/M@3000K
CCT	<span>3000K</span> <span>4000K</span> <span>5000K</span> <span>6500K</span> <span>8000K</span> <span>9000K</span> <span>10000K</span> <span>11000K</span> <span>12000K</span>	

## COMPATIBILITY

ON/OFF    Triac    0/1-10V

DALI    PWM
